Financial Assistance Application
2017-2018 Season**

We are so very glad you are considering membership with the Hancock County Children's Choir! With a successful audition/assessment, your child(ren) are eligible to participate in a fast-growing, highly successful choir that is opening a world of opportunity for youth in our community. We enthusiastically welcome you if you feel HCCC is a good fit for your family.

It is the desire of HCCC leadership that all children in our community be able to participate regardless of financial ability. With that goal in mind, we sought funding to offer tuition discounts to our members. Having received an award from The Brave Heart Foundation and NineStar Connect Operation Round Up, we are excited to be able to extend a discount to all members based upon financial need. Please complete the following application to be considered for a discount. If you have any questions while completing the application, don't hesitate to contact Joanna Crump, Director of Finance, at 317-620-0096.
