Golden Text: Numbers 6:24

(The golden thread running through the lesson)

The Lord bless you and keep you:

Responsive Reading: Numbers 6:25, 26

Psalms 107:1, 2, 4-7, 9, 14, 20, 21;
115:12 (to 2nd ;)

25 The Lord make his face to shine upon you, and be gracious to you:

26 The Lord lift up his countenance upon you, and give you peace.

1 O give thanks to the Lord, for he is good: for his steadfast love endures for ever!

2 Let the redeemed of the Lord say so, whom he has redeemed from trouble

4 Some wandered in desert wastes, finding no way to a city to dwell in;

5 hungry and thirsty, their soul fainted within them.

6 Then they cried to the Lord in their trouble, and he delivered them from their distress.

7 he led them by a straight way, till they reached a city to dwell in.

9 For he satisfies him who is thirsty, and the hungry he fills with good things.

14 he brought them out of darkness and gloom, and broke their bonds asunder.

20 he sent forth his word, and healed them, and delivered them from destruction.

21 Let them thank the Lord for his steadfast love, for his wonderful works to the sons of men!

12 The Lord has been mindful of us; he will bless us;

Tithing info: This Christian Science Society tithes 10% of our collection each month to a specific local, national, or global organizations whose mission we support. Our **June** tithing recipient is **Happy Toes Haven Daycare** in Baguio City, Philippines. They are a new Tithing Recipient this year, the result of two of our members visiting the Philippines last summer and becoming aware of this start-up resource for Christian Scientists in the area. Its mission is to support working parents in the community by taking care of their children while at work. The children are lovingly cared for and seen as expressing unlimited intelligence and goodness. At this daycare, they are not only learning and growing intellectually, but they are supported spiritually and are taught at a young age the basics of Christian Science. The founders and organizers have as their goal to see this as an initial step in establishing a Christian Science-based school in Baguio City. They are working on the Center's financial stability hoping to expand to grade level classes in the near future. Two of our members have donated \$1,000 toward a matching fund.
