

2018 Sponsors

In 2018, MYEP celebrated five decades of service, strengthening our community. To commemorate this anniversary, MYEP set it's largest fundraising goal ever. Thanks to these generous sponsors, we exceeded our \$50k for 50 years goal! Fundraising dollars are always used to enhance programming for all participants. Chris, pictured below, was especially excited about our new accessible van for the Adult Day Program.

Dear Friend,

MYEP is an area leader in service to people with disabilities. We currently serve nearly 100 local citizens with disabilities who live in, thrive in, and enhance our community. In provision of these services we provide nearly 200 local jobs. As we prepare for our 16th Annual "Summer Fest" fundraiser, we ask for your support through sponsoring this event.

First, let us tell you about some of our successes over the past year. We are happy to share we were able to purchase and open our 17th residential home in a great Iowa City neighborhood. We purchased an additional accessible vehicle for our Adult Day Program. We received high praise from our accrediting body, The Council on Quality and Leadership, on the quality of our services even asking to use us as a template and example for other service providers. Finally, we are recipients of competitive grant money that is allowing us to purchase two lots to build two additional accessible homes.

Our goal this year is to raise \$25,000. As always, 100% of the money raised will be used to provide unique programming opportunities for the individuals we serve. To reach this goal and make this event a success we rely on the generous support of businesses and community members like you. We believe that the more you know about us, what we do, and the daily impact we have, the more inclined you'll be to provide your support. Please check us out on our website and Facebook page.

By giving to this annual event you'll be supporting the individuals we serve. We ask that you review the sponsorship levels and help us at the level you can by returning the enclosed contribution card.

Your donation will have a real and meaningful impact. We hope that we can rely on you to help support our cause!

Best Regards and Kindest Wishes,

Roger Lusala
