## Social Media

1 Parents will be **asked to sign a release form** for students if/when teachers set up social media activities for classroom use.

2 Parents will **not attempt to destroy or harm** any information online.

3 Parents will **not use classroom social media sites for any illegal activity**, including violation of data privacy laws.

4 Parents are highly **encouraged to read and/or participate** in social media projects.

5 Parents should **not distribute any information that might be deemed personal** about other students participating in the social media project.

6 Parents should **not upload or include any information** that does not also meet the student guidelines above.

#### Violations of this Acceptable Use Policy

The TLC Parent Board represents the parents and care givers of the students attending TLC. Though we are part of the school, we function much like a PTO and therefore are a separate organization. Every student's caregiver is automatically a member of the parent board. We are responsible for fundraising, tracking volunteer hours, helping to communicate volunteer opportunities, and overall contributing to the parent involvement at TLC. Charter schools rely heavily on parent involvement through volunteerism and financial support (through fundraisers). Therefore, it is crucial that we are able to contact you about upcoming events, meetings, and volunteer opportunities. Please allow the school permission to share your contact information with us. We are also asking for your children's names and grades. Thank you!
