President's Piece

Dear SBOC Members and Colleagues:

Is it Spring yet?? What a crazy January we had. As if 10 inches of snow wasn't enough, we have had to endure temperatures of 50° below zero - stay warm friends!

If you weren't in attendance at the CRCA Tradeshow and Seminar you missed a well-organized event and some exceptional speakers. The many speakers touched upon the roofing industry and updated Building Codes & many of the changing installation techniques. Also, the tradeshow was interesting and enlightened us all on the ever-changing products in the roofing industry. SBOC would like to thank Linda & Bill McHugh for their partnership in making this event available to our members.

This year's 64th Annual Training Institute for 2019 dates will be: March 1st, March 8th, March 15th & March 22nd. The Flyer and the CVENT RSVP are currently in the works and should be out this week, so keep any eye out in your inbox for it real soon. Thank you for your patience.

The SBOC Board is working at filling the programs for our monthly training meetings. Should any of you have any thoughts for a monthly training session feel free in contacting any of the Board members. Hopefully, you will have a presenter's contact information and are able to forward this information to the SBOC BOARD.

With that being said, we the SBOC Board are looking for some volunteers to become Board members in 2020. Volunteering is a great way for members to have their voice heard, recommend programs and activities. Having new people provides fresh new ideas over the years. This is YOUR opportunity to *make a difference* and to be heard. So, why not contact me or any other Board member. I've enjoyed myself greatly being a Board member. Believe me it's FUN and GRATIFYING! The SBOC Board looks forward in hearing from you.

SBOC monthly training is back, we are having our next monthly luncheon seminar & meeting on February 21, 2019.
