VP Jim Fulcomer - Berkeley has hoped we would give up. They have done much to discourage us. The Planning Board meeting on August 2nd will decide what will transpire the last 4 or 5 meetings. Roberts Rule say 1st up should be last up. Berkeley definitely wants the last word. Our finance expert will rebut their findings and our new planner will do the same.

New Business - Treasurer Arlene Nora presented the 2019 proposed budget of \$23,000. Vote will be taken at the August meeting.

The public input portion is fast approaching, so your concerns will be heard.

Our attorney will be at the August 26th general meeting.

Meeting adjourned.
