

LAKEWOOD FOREST CIVIC ASSOCIATION'S 21st Annual *Memorial Scholarship Award*

Applications Due March 19

Your Civic Association is pleased to announce the continuation of its Scholarship Award program for the Class of 2020 high school seniors who reside in Lakewood Forest.

The Scholarship Award program originated as a tribute to our area students who were injured or who died in a tragic nighttime bus crash on December 21, 1999. On the return leg of a six-day ski trip to Colorado sponsored by a local church, the bus spun at a curve, slid off the roadway backwards, and rolled down a 40-foot embankment. The crash resulted in three fatalities, 33 serious injuries and 24 minor injuries.

The Civic Association's Scholarship Award program is primarily essay-based, rather than GPA/class rank/academic merit-based, or needs-based. This is so every Lakewood Forest graduating senior can qualify and have an equitable shot at competing for a scholarship award. As the saying goes, however, "you've got to be in it to win it." **We really want to encourage all Class of 2020 students who live in Lakewood Forest to submit an entry.**

Each year, the individual award amounts and the number of awards granted can vary. Generally, we have awarded from one to four scholarships in amounts ranging from \$250 to \$1,000. Scholarship awards are available for those seniors pursuing technical, associate, or undergraduate degrees. The most important factor in our scholarship selection process is the creative essay. Secondary consideration is given to academic achievements, achievements earned outside the classroom, and

volunteer/community service. Scholarship entries are scored blindly with students' identifying information marked out.

Your scholarship application **must be received by 6 p.m. on Thursday, March 19**. Incomplete or late entries will be discarded.

Please carefully read and submit all of the scholarship award application requirements:

1. A personal resume that includes all of the following:
 - Your name, address, phone number, and parents' names
 - Your high school, class rank, and GPA (include scale used, please)
 - Academic achievements
 - Achievements earned outside the classroom
 - Volunteer and/or community service activities
 - Part time and/or summer jobs you have had
 - Your chosen field of study and the school (technical, community college, undergraduate college/university) you plan to attend after high school
 - Future goals (life and career)
2. A senior picture or other headshot suitable for publishing in the *Civic News*. The picture should be a separate .jpg file and not embedded in any of the documents. If you don't have it in a .jpg file, let us know and we'll make other arrangements.

Note: the picture will not be used in the process of selecting scholarship recipient(s). It is only used with the article announcing the scholarship award recipient(s).

3. A brief biography (about a paragraph in length) that tells the story of you and your family. You should highlight any meaningful events, circumstances, or experiences in your life as you would openly share as a short self-introduction.
4. A creative, personal essay of 350 to 500 words on **"What makes a good leader?"** You have been surrounded by leaders all your life, from youth group leaders and sports coaches, to Boy Scout and Girl Scout leaders and supervisors at work. Leaders guide us and influence us every day in very many ways. In this essay, please consider the leaders around you and what you think our society needs for fresh, bold leadership. Here are some potential points for you to write about:
 - What makes a good leader? Are leaders born and not made, or can leadership skills be developed and honed over time? What qualities and characteristics do they have? What kinds of actions do they take? How do they resolve conflict and address complex issues?
 - It's time for your generation to take on leadership roles. What are you doing, personally, to become a leader of men, women and children? What motivates you to lead others? What moral and ethical guidelines should you follow?
 - Who is someone in a leadership role that has truly inspired you and helped you grow as a person? What is it about them that makes them a good leader? What lessons have you learned from them?

- Not all leaders are good leaders; for example, a gang leader or a dictator. Have you ever encountered someone who tried to lead you to do something that was against your character or beliefs? If so, how did you react? How did this make you feel?

Essays will be evaluated on creativity, how well they speak to your point, correct spelling, grammar, syntax and punctuation marks, and overall composition (just like English class!). Have fun with it.

Scholarship Award applications **must be received by 6 p.m. on Thursday, March 19.**

Applications must be emailed to:
LFCAScholarship@gmail.com

Important! We do **not** accept scholarship applications by postal mail; they must be emailed to the address above. Applications must be submitted as MS Word files (.docx) attached to the email. Your resume, biography, and essay must be saved in separate Word documents and labeled as such. Don't forget to also attach your senior picture or similar in a .jpg file.

For questions or further information, please contact LFCFA 2020 Scholarship Committee Chair Jodi Cole at 817-668-5634, or by email to LFCAScholarship@gmail.com.

The Lakewood Forest Garden Club met on January 3. The program by Marie Silvis from Precinct 4 Community Assistance was entitled "Parks, Greenways and the Mosquito Assassin Program in Precinct 4." The speaker inspired us to get out there and enjoy the plethora of trails and activities provided by the county.

Margo Propst reported that the Wreaths Across America project was a great success and our collections provided 84.5 wreaths which were laid at the Houston National Cemetery in December. Thirteen members from the garden club and three of their husbands helped lay the wreaths and a group will also assist with removal.

The hostess table was set with fresh flowers for their "New Year Garden Bash" theme. Becky Bailey, Maggie White, Dawn Bramwell (Chair), Rosemary Felix, Joanne Matava and Sandra McKeon decorated and prepared a wide array of delicious refreshments.

Bouquets for the President's Table also served as door prizes and were beautiful creations from the gardens of our talented members. Lynn White was the lucky recipient of the Bird of Paradise design by Gail Bramwell, and Maggie White was the winner of the Marilyn Bullen arrangement.

Fran Hamel gave an update on the CAM project where gift cards were donated in December. Fortunately, there were 1,216 children who received gifts through the entire effort!

Yard of the Month for March will be judged by members of the garden club the last week of February. The area to be judged is Area A Section 1. Winners receive gift certificates to Plants For All Seasons provided through contributions by Lakewood Forest Civic Association, Lakewood Forest Fund and Plants For All Seasons.

Gardening Hints From the Pro, Sherri

February To-Do List

1. Cover plants, water well if a freeze is forecast. The coldest days usually occur this month.
2. Remove covers first thing in the morning if it's above freezing. Heat builds under covers, and your plants will cook!
3. Mow the lawn once to allow the sun to reach the roots.
4. Prune grafted roses; Valentine's Day is a traditional time to trigger healthy new growth.
5. Plant later-blooming bulbs, corms and tubers, such as amaryllis, canna and gladiolus.
6. Watch the temps; if towards the end of the month, temperatures look like freezes are over, get tomatoes in the ground! We have to start early in Houston if you want good yields!
7. Don't commit **crape murder**! Resist the urge to do what your neighbors and ill-informed landscapers do. If you need to prune and shape your crape myrtle, stop by the nursery and we can show you the correct way to prune them.

New Exhibitions for 2020

Beginning **February 1**, the Pearl will showcase two new exhibitions. *Stitched: Contemporary Quilt Art from the International Quilt Festival Collection* will be featured in the Main Gallery and includes a collection of 25 contemporary quilts from the Texas Quilt Museum. Artists range from some of the most famous names in contemporary quilt art to emerging artists, with themes including narration, color abstraction, landscapes, and homage to antique quilts.

In the Rebecca Cole Gallery, the Pearl will feature *Lesley Humphrey: Saved by a Horse*. Equestrian artist Lesley Humphrey has been painting or drawing the horse since childhood. Her awe-inspiring views of horse racing and her unique artistic process have led to a career that has included serving as official artist of the Kentucky Derby as well as works in prominent collections throughout Britain and the United States.

Both exhibitions open **Saturday, February 1** and continue through **May 16**. Admission is free. Donations are appreciated and help continue the Pearl's mission of art, education, and community.

The 2020 Pearls of Art Gala

"Une fête dans le Jardin de Monet," will take place **Saturday, March 21** at Houston's newest event venue, the Revaire. Co-Chairs Anais Watsky and Elizabeth Naggar have chosen a beautiful French theme highlighting a party in Monet's garden.

This year's honorees are The Hamill Foundation and Mr. Tom Brown, Grants Director. Mr. Brown and The Hamill Foundation have been strong supporters of the Pearl since its inception and were key to the museum's restoration after Hurricane Harvey.

The black-tie optional gala includes cocktails, dinner, and live and silent auctions. The popular Doppelganger Band will provide music for dancing.

Tickets to the Pearls of Art Gala are on sale now, with tables of 10 starting at \$2,500 and individual tickets at \$250. Sponsorship opportunities are also available ranging from \$200 to \$50,000.

The Pearls of Art Gala is the largest development event each year for the Pearl Fincher Museum of Fine Arts, raising approximately half of the museum's operating funds. For details or to reserve your place, visit www.pearlmfa.org or contact the Development office at 281-376-6322 or development@pearlmfa.org.

As the only Fine Arts museum in Harris County outside the city center of Houston, the Pearl operates completely through the generous donations of individuals, businesses and foundations from the greater Houston community, and is free to all.

Downtown Rodeo Parade

February 29, 2020

Every February since 1938, the nation's fourth largest city is transformed from a bustling metropolis to a down-home celebration of Western heritage. Decorative floats intermingle with thousands of men and women on horseback to fill the streets with hoof beats and marching bands. Enthusiastic Houstonians join out-of-town spectators to line the streets and sidewalks to be involved in one of Houston's most popular celebrations!

Trail Rides – All Trails Lead To Houston

In 1952, four men traveled on horseback from Brenham, Texas, to raise awareness of the Houston Livestock Show and Rodeo. Today, more than 2,000 trail riders partake in the Rodeo's signature tradition each year. Riders hit the trail in an attempt to recreate the Old West, and in doing so, find a common ground that links us all to the Rodeo. Be a part of history and support the 12 trail rides as they cross the great state of Texas toward their destination, the Houston Livestock Show and Rodeo.

For more information about these pre-Rodeo events, go to www.rodeohouston.com/Visit-the-Rodeo/Pre-Rodeo-Events.
