What YOU Need To Do:

1. Send a \$40 check payable to SaddleBrooke Pet Rescue Network, 63457 E. Squash Blossom Lane, Tucson, AZ 85739
2. Prepare an email and send to Carole Rossof at carolerossof@gmail.com which includes:
 - A photo 2 mb in size or larger.
 - Write a detailed bio of the pet, including age, breed, sex, temperament, dog/cat friendly, housetrained, neutered/spayed, crate trained and/or doggie door trained. Feel free to include any additional information you feel will help describe the pet.
 - Provide your contact information, including name/phone/email address.
 - Provide vaccine history and spay/neuter information.

Any prospective families will contact you directly. We advise you to be VERY SELECTIVE in choosing the new family. We have seen devastating results from adoptions to uncaring families. We strongly recommend that you:

- Do a home inspection for security fencing and cleanliness,
- Require that the pet be an indoor pet,
- Require a veterinarian reference and contact the vet to determine a history of adequate pet care.

What the Network CANNOT Do:

1. Take ownership of the pet;
2. Foster the pet.
