

-Baja Softball is the federation of girls' recreational softball leagues in and around Tucson, Arizona. The Mission of Baja Softball is to provide a place for all girls aged 5 through 18 to learn and play softball-regardless of skill level. We strive to maintain an affirming culture, teaching the girls through positive reinforcement the values of integrity, teamwork, and doing their best at all times. We recognize our responsibility to the development of the player- physical, mental, social, and emotional.
