### UNIFORM AGREEMENT

1. The undersigned understand and agree that uniforms and uniform accessories issued to any cadet by Twin Cities Squadron (the "Squadron") remain the property of the U.S. Naval Sea Cadet Corps. The Squadron is accountable for all such items.
2. The undersigned understand and agree jointly and individually that upon honorable discharge or other disenrollment of the cadet for any reason from the Squadron, they will return all issued uniforms and uniform accessories to the Squadron, ribbons excepted.
3. The undersigned further agree:
  - a. to properly care for uniforms and uniform accessories including proper cleaning, repair of minor tears, and polishing of boots or shoes;
  - b. not to modify uniforms with the exception of hemming to proper length and sewing (not painting, dying or gluing) on required patches, badges, ranks, and tapes. When hemming, excess material may not be cut; if the issue is too large, a smaller item must be drawn instead.
  - c. to pay the replacement value of any uniform item lost, stolen, or improperly modified.
  - d. to pay the replacement value of any uniform item not returned to the Squadron upon disenrollment from the unit.
4. The undersigned agree to properly clean or launder any uniform item prior to its return for any reason to the Squadron.
5. The undersigned understand that some equipment items may be issued for a specified event only and must be returned cleaned to the Squadron upon conclusion of such event.
6. The undersigned understand and agree that initial enrollment or renewal fees paid to the Squadron are not a uniform deposit and cover uniform rental only. In addition to such non-refundable enrollment or renewal fees, each cadet shall make a deposit of \$50.00 upon receipt of his/her sea bag from the Squadron, which shall become the irrevocable property of the Squadron if all issued uniforms are not returned to the Squadron within 30 days of disenrollment for any reason. Receipt of the \$50.00 deposit is hereby acknowledged by the Training, Admin, or Supply Officer.
