**Concerns:** Jean Nichols has completed radiation waiting for decision about whether or not she will need chemo. Charlie Rigsbee is doing better. Tommy Gentry was with us and looking good. Sue Ribet is at Duke Hospital and can't talk. Please continue to pray for our members and our club.

**Birthdays:** Lisa Williams, January 12

**Guest:** None

**Duke Concessions:** Men Basketball: Mike said we are good for Saturday's game, Joe will run the stand. Mike needs help Saturday, January 20. He will have February's schedule at our next meeting. Women Basketball: Joe reported the game against State was our best game yet. The stand made \$1800, next game is Sunday.

**Webmaster:** If you haven't checked out our website, please do so and let Skip know if there is anything you would like updated.

**Program Committee:** Page 6 of our directory has a list of who is on the program committee. Bill Oakley is asking for our help in finding interesting speakers. Lori Lumpkin is in charge of working with Bill to get a speaker for February

**Door prizes:** Dennis Nichols, Worth Hill, Buck Pickett, Howard Partin, Dudley Robinson

**Queen of Hearts:** \$79 Danielle Cooley - did not win.

Our speaker today was no other than our very own Joe Parker, Past International President. Joe spoke about some history of our club. Did you know our club has had two International Presidents? We all know Joe Parker was one of them, do you know who the other one was? We once raffled a car and made \$10,000! New members use to be voted into the club - you could get blackballed. Our club helped raise money for a Duke Medical bus. Joe encouraged the members to speak of their memories about the club and it was a very interesting meeting with good participation.
