Board Meetings

The next meeting will be Sunday, October 14 at 2:00 pm in the common area. The board has called this additional meeting to review our lawn service and entertain new bids. If you know of anyone that would like to submit a bid, see Beth as she has blank contracts for use. Also, a committee was formed to evaluate the generator for our water system and they will report their findings and present their recommendations to the board.

The next scheduled meeting should fall on Sunday, December 9. Always bring a lawn chair as the board meets in the common area at the end of Flag Ct. Watch the signage at the entrance for more information.

ANNUAL YARD SALE – NOV 2ND AND 3RD

Dust off your possessions and get them ready for sale. The HOA will post signs and run an ad in the newspaper. This is also a great time to walk the neighborhood and say "hi" to neighbors.

Follow these water restrictions:

Watering Hours: midnight to 10 a.m. or 4 p.m. to midnight

If your address is:

even number

odd number
