

2019/2020 Dance Me Recital Costumes!

Please Note * We did our best to choose costumes that will not go out of stock. We also waited a little longer to put this info out in hopes that we will not have to make changes like last year. However, all costumes are subject to change based on availability since we have no control over the costume companies. Thanks for your understanding!

**All Final costume payments are
due January 15th.**

**If you are on autopay they will run
January 1st.**
