

Kitsap Saddle Club **HOOFBEATS** January 2021

**From The President:** Hello all my KSC Family! This year is going to be a great year for KSC and all of us members. Brush off those saddles and start working those ponies and enjoy them. We have lots of new members. The board is working on membership cards that you may keep with you. We hope this will lesson any further problems. Please, if you see someone at the club. If you see someone at the club and you don't know them. Wave HI and introduce yourself. Even a simple. Hi. I'm (insert your name). I'm a member. Have a great ride or enjoy walking your dog. If you don't know them. You may ask if they are a member. We had a situation at the club over the weekend. Which resulted in the Sheriff coming up to talk to someone. In actuality, it was a HUGH misunderstanding that has been straightened out. Perception is real. Everyone's perception of a moment in time will be different. Let's all be more tolerant and more friendly. We don't know what the other person is going through at any given time or for that matter what they are thinking. Again perception is the key. Please remember the club is a member owned business. All current members are allowed to use the grounds. We must have a signed application and corresponding monies. If either one is missing then you are not a current member and may not be on the grounds. The board is a volunteer board. If you call one of us and we don't answer right away, remember we may be working or just out having some fun. We might not always be immediately available. Please call me or send me a text if it's urgent. I am available for any questions. The board has been working very hard for KSC and the members through this rough time. Members need to be friendly and safe at all times. I can't wait to see you all this year. Bring your new ponies and the old ponies. Show off your hard work. See you all at the club. - Teresa
