December 2019

Mrs. Ortiz: Lead Teacher
Ms. Babbitt: Teacher Assistant

What's Been Happening?

During the month of November our language studies consisted of the letters Q, J, and B. The toddlers were delighted to share their "Show and Tell" relating to the letter of the week! We experienced the color

brown by coloring, painting and searching for several different colors of brown in our own classroom and outside! We discussed many things about what we're thankful for while getting ready for Thanksgiving! For our science projects we discovered how to make slime. They had an awesome time playing with the slime, examining the texture, color, and the process to create it. It brings happiness to me to see the children's thrilling reactions when they are enjoying all our wonderful toddler activities.

Sincerely
Mrs. Ortiz

Focus words &
Sign Language:

Snow

Cold

Blue

With the cold weather and rain/snow coming, please remember to make sure your child will be warm on the playground. So, please remember to bring to school...

- thick coats
- gloves or mittens
- rain boots
- hats, hoodies / beanies

Thank you for labeling all your child's items to avoid confusion.

Show and Tell
Every Friday

December 19th:
cookies and cocoa
movie

It's December! What Are We Going To Do?

For the month of December we will be discussing "giving and sharing"! Since this is such a great theme for our group we are anxious to get started! We will also spend some time learning about the "Gingerbread Man". Throughout the month we'll be playing with the color blue, different winter art projects, and studying the shape of the month "rectangle".
