

To benefit the Specialty Event facilities and show committee we have adopted the following policy with board approval:

1. Any disregard for facility rules, destructive or disruptive actions, or disrespectful or abusive behavior may lead to Club sanctions and board hearings, which can result in fines or suspension from the Club.
2. Club members will be strictly held accountable for violations of this policy and will be required to pay for damages to hotel, beyond the "normal wear and tear".
3. The hotel and show committee realize that dog accidents can occur in guest rooms and no member will be sanctioned if an accident is reported immediately.
4. To comply with health code regulations, pets are not allowed in the pool area, fitness center or food and beverage outlets at any time during the stay.
5. The bathing and grooming of pets is not permitted in any hotel room.
6. The whelping of litters is not permitted in any hotel room.
7. If a pet is left alone in the room it must be in a crate/kennel. If housekeeping enters a room to find a loose pet, the room will not receive services for the day and be reported immediately to the hotel manager and show chair. Findings will be recorded.
8. Sheets of plastic must be laid under the crate(s).
9. Pets must be kept on a leash, at all times, in the interior public areas and the exterior grounds of the hotel property. When walking my pet, I agree to do so on the outer perimeter of the hotel grounds, away from the main lobby entrance and flower beds. All pet excrement will be picked up and put into appropriate containers.
10. I agree to random inspections of my room to verify that I am in compliance with the PPPA Hotel Pet Policy and will be notified immediately of such inspections.

Signatures are required for adults staying in the room.

Indicate if you have a dog. Upon check in, I/we have read and agree to the above policy.
