Introduction

Peace Foods Academy was created to for people who love food. Many of us who learned to bake or cook from our mothers and those that did not would like to learn about more about cooking delicious foods and creating wonderful desserts. At Peace Foods, many of our clients love our baked goods and our foods and would like to make these products at home.

Our philosophy is KISS – keep it super simple. Our recipes and procedures are very simple and many foods are prepared to taste.

We use only the best tasting, all natural ingredients locally available for our basic cooking courses and for our international foods courses; we tell you where you can buy your ingredients.

Description

Our courses are open to adults and children from 13 years or older.

Our classes are taught in English. With most of the courses, you will be able to take home what you make to share with your friends and family.

We limit enrollment to a maximum of 8 students per class. We will pair you up and each pair will have their own cooking/ baking station. Our courses start with a demonstration and then each group will be able to prepare any or all of all foods listed in the course description. Although our classes are 2.5 hours, please calculate in another ½ hour for clean up.

Aprons and hats will be provided. Mineral Water and Coffee are included in the fees. Other Beverages are available for purchase at Peace Foods. Fees include all ingredients.

Insurance in case of an accident is the responsibility of the participant. Peace Foods Academy will not be responsible or liable for any damage or loss occurring before, during, or after our course.

Please use the metered parking at the Lättich Swimming Pool area, about 300 meters away.
