Wheat and gluten ingredients which are deep fried will use the same fryers in our kitchens as dishes not containing these ingredients - there may be risk of cross contamination which may therefore affect extremely sensitive sufferers.

Allergen data is held on each of our dish ingredients, so please ask your server in the restaurant should you require any more details.

Fish dishes and Tinga chicken may contain small bones.

Please note there maybe a wait on food at busy times as all dishes are freshly prepared to order.
