

Adopt-a-Road Program

Expectations: This community commitment is in addition to the regular community workdays, currently twice a year. Work to be accomplished as needed but recommend teams plan to meet periodically in addition to the two community work days.

1. Keep culverts clear of leaves and debris.
2. Keep ditches clear of leaves and debris.
3. Clear brush back on both sides of the road for mowing.
4. General neatness of the road.
5. Maintenance and watering of planters and planted areas.
