

Organic Advisory and Education Council

762 Danvers Rd
Lewistown MT 59457
406.538.3067

The Organic Advisory and Education Council (OAEC) is an independent, nonprofit corporation organized under section 501(c)(3) of the tax codes, with the mission of encouraging sustainable and responsible organic agricultural practices through investments in research and education in organic and sustainable food and agriculture. Each donation will be handled respectfully and accordingly to the code and guidelines from the Internal Revenue Service. The donor will receive a receipt from the Organic Advisory and Education Council along with the appropriate IRS Form depending on the donation.
