## NOTE

Due to the Insurance you have to be  
a club member to work on the trails

Well guys we had a week of good riding and mother nature threw us a curve. The trails are now closed but are holding out hope of lower temps and more snow. Everyone cross your fingers. A club member had an incident while navigating the railroad crossing east of the Fall Creek feed mill after the club meeting. Please be careful and try to cross as perpendicular as possible to avoid further accidents.

Have fun and ride safe

## **You can retire to Wisconsin where...**

1. You only have three spices: salt, pepper, and ketchup ..
2. Halloween costumes have to fit over parkas.
3. You have seventeen recipes for casserole.
4. Sexy lingerie is anything flannel with less than eight buttons.
5. The four seasons are: almost winter, winter, still winter, and road repair.

6. The highest level of criticism is  
"He is different, she is different or It  
was different!

### **CANADIAN JOKE #1**

A Canadian is walking down the  
street with a case of beer under his  
arm.. His friend Doug stops him  
and asks, "Hey Bob ! Whacha get  
the case of beer for?"

"I got it for my wife, eh." answers  
Bob ..

"Oh!" exclaims Doug, "Good trade."

### **CANADIAN JOKE #2**

In Canada , we have two  
seasons...six months of winter and  
six months of poor snowmobiling.

### **CANADIAN JOKE #3**

A Quebecer, staying in a hotel in  
Edmonton phoned room service for  
some pepper.

"Black pepper, or white pepper?"  
asked the concierge.

"Toilette pepper!" yelled the  
Quebecer

### **You deserve to chuckle at the very least once**

If 4 out of 5 people SUFFER from  
diarrhea...does that mean that one  
out of five enjoys it?

Why do croutons come in airtight  
packages?  
Aren't they just stale bread to  
begin with?

If it's true that we are here to help  
others, then what exactly are the  
others here for?

If lawyers are disbarred and  
clergymen defrocked, then doesn't  
it follow that electricians can be  
delighted,  
musicians denoted, cowboys  
deranged, models deposed, tree  
surgeons debarked, and dry  
cleaners depressed?

What hair color do they put on the  
driver's licenses of bald men?

Why, Why, Why do we press  
harder on the remote control when  
we know the batteries are getting  
weak?

Why is it that when someone tells  
you that there are one billion stars  
in the universe you believe them,  
but if they tell you there is wet paint  
you have to touch it to check?

Why is it that, no matter what color  
bubble bath you use, the bubbles  
are always white?
