Dear Friend of the OMHS Boosters Club,

Oakland Mills High School (OMHS), located in Columbia, Maryland opened its doors in 1973 and is hOMe to more than 1,100 students from a wide range of ethnicities and dozens of different countries. As one of the more diverse schools in the Howard County Public School System, OMHS thrives in many ways, not in spite of this diversity, but because of this diversity. Unfortunately, one of the areas in which we do not thrive is fundraising so we are reaching out to our local businesses and our local friends of OM and asking them to help us help the students of OMHS by making a donation to our annual **Silent Auction Fundraiser**.

Once again this year, the **Silent Auction Fundraiser** is part of our **Spring Fling event** which is being held on April 29, 2017. Donations for the Silent Auction can include products, gift certificates, services, etc. All of the proceeds from our Silent Auction directly benefit our students by providing financial support to the academic, athletic, and extracurricular programs at Oakland Mills High School.

Each business/company/individual that donates to our cause is featured in the printed Silent Auction program that is distributed at the event. They are also acknowledged through our Booster Club website and Facebook page.

To make a donation (and PLEASE do make a donation) or should you have any questions, please call Gary at 202-258-4081 or Tina at 410-868-3460. You can also send an e-mail to omhsbooster@gmail.com and someone will contact you. The OMHS Booster Club and all the students and faculty of OMHS thank you for your continued support of the students of OMHS!

Very Respectfully,

Oakland Mills High School Boosters Club
