Driving Horse Auction

Saturday, October 22nd
Horse Driving 7:30am – Horse Auction 9:30am
Consignments welcome day of auction
Catalog deadline is 6:30 am firm

A Note from Rick: Something that has become very clear to me in the weaker market we have been in is that poorer quality livestock in all phases gets hit the hardest. Demand for junk is zero and unfortunately we all have some of it. There is just not much competition for the iffy stuff. Calf prices are the other thing that sticks out to me. If these are the feeder prices we are going to be working with, calves are way too high! Springer sale is coming up with a lot of interest from both buyers and consigners and we are looking forward to selling another great group. Horses, horses and more horses coming to TLA..... I'm excited to see this four day sale in action, with a driving horse sale the Saturday before. See you at TLA!
