

Waterfront Environmental Committee
Saint Clair Shores, Michigan

Permission to Participate in Storm Drain Stenciling and/or I-94 Entrance/Exit Ramp Clean Up

My child, _____ (Listed Below) _____, has my permission to participate in the Storm Drain Stenciling scheduled throughout the year _____ and/or the I-94 Entrance/Exit Ramp Clean Up scheduled from May to October _____ (year). I understand that my child may ride in cars of other students participating in the event and/or ride in the cars of members of the Waterfront Environmental Committee to reach stenciling and/or cleanup locations. I understand that the nature of the activities dictate that students will be working, in part, on street and/or exit/entrance ramp sides, may be using spray paint, and may be picking up rubbish.

Although the Waterfront Environmental Committee works to ensure the safety of each student taking part in the activities, I understand the Committee, its members, property owners, and the City of Saint Clair Shores, Eastpointe, or Roseville (or any other participating city, township or school district), is not liable or responsible for any bodily injury that may occur as a result of the scheduled stenciling or clean up or for property damage that may occur to the property or volunteers or others. I understand that it is my responsibility to ensure that my child acts responsibly and safely while participating in this service.
