

## Covid-19 Update 1-18-2021

We are still hopeful for 2021 Music Festival but have not made a decision at this time. The state of Virginia is under a government order for no gatherings larger than 10. We will be posting an update as soon as we know more. We will be making this decision based on the safety of all of our participants along with the any restrictions in place by the government.

Everyone please be safe and follow government guidelines so we can get this pandemic under control. Looking forward to seeing you soon!
