A Note from Rick: Steady markets on Tuesday at TLA, but Thursday's Springer Sale was a different story. Prices and activity in the market were stronger than they've been for quite some time. Overall, we had a good set of heifers to offer and prices were \$150-\$200 higher for the majority of cattle. The cattle that did not see this increase were heifers that are blemished in one way or another. It's very welcoming to have a little excitement in this market, as it's been a long time coming. We're really excited to enter a stretch of events that are new to TLA. The Seymour Sale this weekend brings a great lineup of horses and it has been great working with Dewayne to bring this sale here. On July 25th, TLA will host the St. Jude's Childrens Hospital Benefit Draft Horse & Pony Pull. We're also excited to announce the first Draft Horse Show here. The TLA Classic will be held Aug 7-8 and the entries are full. 20 Six Horse Hitches from across the country. The following week on Aug 14-15, we will have the Haflinger & Draft Pony Show here as well. Points will be awarded at both of these events to advance to the Classic Series Finals this Fall. Despite all of the negativity and problems in the world right now, the Lord has given us sunshine and optimism for the future. We are proud of the hard work of all of our employees and the support and understanding of our customers. TLA is definitely where the action is!!!
