

THE MAZZAROTH

THE GOSPEL WITNESS OF THE STARS

"For since the Creation of the World, GOD's invisible qualities, His Eternal Power & Divine Nature have been clearly seen, being understood from what has been made, so that men are without excuse." Romans 1:20

The constellations in the Heavens proclaim the ageless testimony of YHVH's **יְהוָה** redeeming plan for fallen Mankind. It was fashioned before the foundations of the world began. It can only be configured from Earth's reference point of view. It begins with Virgo and ends with Leo declared and displayed for all the Principalities, Power, Humanity and Lucifer to witness. It was the knowledge taught and handed down from Adam that became skewed with the Fall of Mankind due to sin. Thus all cultures since then have had a folklore of a Christ figure, a Redeemer crucified on a cross, killed and resurrected like Krishna of the Hindus. When the Spanish Conquistadors came to Mexico, the symbol for Quetzalcoatl the 'Feathered Serpent' was a cross on which he was crucified. When Christian missionaries encountered the Dogon Peoples in Africa, they also had a cosmological story of a 'Son dying on a Cross'. Each emerging culture/civilization ascribed the Zodiac deferent names and symbols to the constellations, to a degree yet the meaning has stayed exactly the same. It is not Astrology that Lucifer has corrupted but Biblical Astronomy. It is the study of this 'Silent Witness' as the Apostle Paul admonishes Followers of Christ and those that done alike to consider the proof of the Creator through the Creation. When the Ethiopian Eunuch was reading about the 'Suffering Servant' of GOD in Isaiah and who it was referring to, the Apostle Phillip identified and explained that this Redeemer was, is and will be Jesus Christ of Nazareth, the MESSIAH and no other before or after to come. -Act 8:26 The antithesis of this witness storyline is that of Lucifer's ultimate destiny of judgment and doom. -John 12:31 The primary source is taken from the study by E. W. Bullinger's *The Witness of the Stars*, 1893.

LION

THE ECLIPTIC: It is an imaginary line that shows the path the Sun apparently 'travels' against the fixed stars of the Zodiac (celestial sphere) as the Earth revolves around the Sun during a given year. It takes 1 Solar Year for the Earth to traverse the Ecliptic. The Sun stays in 1 'House' or Sign of the Zodiac for about ~2000 years; it would take roughly 27,000 years to complete the grand sweep or often referred to as a Great Year.

PAST

TABERNACLE IN THE WILDERNESS (MOSES) Exodus 25:9
A facsimile of YHVH's Throne (a perfect Cube) was given to the nation of Israel where YHVH **יְהוָה** could interact with Mankind to a certain degree due to the Fall. The Creator, YHVH had the 12 Tribes of Israel configured by a 'Sign' or Standard as they encamped around the 'Throne.' The 4 main quadrants that made up were the Lion, Man, Bull, Eagle. The encampment configuration, based on population of each Tribe made a 'cross' formation. The subsequent Solomon Temple and Zerubbabel's Temple were fashioned to the same exact blueprint given by YHVH.

PRESENT

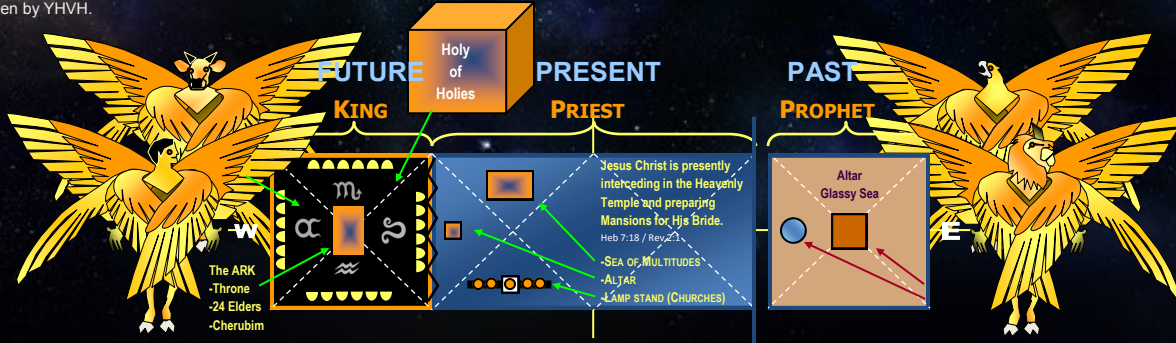

TABERNACLE IN HEAVEN (THRONE OF YHVH) Ezek 1:26 & Rev 4:7 Conceptual
There are few glimpses into how YHVH's Throne is like. YHVH's Throne always faces East located on the 'Sides of the North' in the 'Mountain of the Congregation.' It is different from His Merkavah Throne or mobile Chariot from Ezekiel with wheels suspended on the Seraphims. YHVH's Throne is surrounded by the 4 Cherubim 'Living Creatures' Eagle, Ox, Man and Lion. The 24 Seated Elders represent the Redeemed, 'Seated in Heavenly Place in Christ Jesus.' -Eph 2:6 Jesus Christ is the only One that holds the office of Prophet, Priest and King.

FUTURE

TABERNACLE ON NEW EARTH (NEW JERUSALEM) Rev 21:1
According to the Bible, there will be a New Heaven and Earth. YHVH's literal THRONE will descend with its 12 layers of Foundation Stones and Gates. It will be cubed shaped as was all prior copies. Earth will have no seas; a River will flow out of the Throne and there will be no need for a Sun.

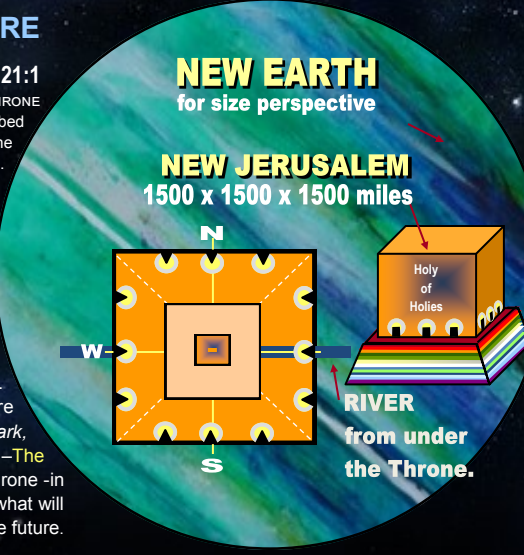

THE MAZZAROTH מַזְלוֹת

In the Hebrew Bible, the word comes from the Babylonian word *Manzattu* for 'station and position' from Job 30:31-32. A very similar word also occurs in 2 Kings 23:3-5 referring to the Constellations. It refers to the Zodiac, the pattern of stars on the Ecliptic. It is believed that the current cycle has been in the Age of Pisces (Church Age). Others state that the next station or 'House' to be entered is the Age of Aquarius, the 1000 Year Millennial Reign of Christ on Earth. Each of the 12 Signs have 3 sub-Signs or Deacons that complete the

The Sun takes 1 year to traverse the Ecliptic, and with it the Gospel Witness of Christ's redeeming work is retold to every generation. The Ecliptic has 4 cardinal celestial points that correlate to the Earthly 4 directional points of the compass. They are marked off by the (Lion, Ox, Man, Eagle). These cardinal points and symbols are seen and are ascribed to the Gospel themes of *Matthew, Mark, Luke and John*.
