Full Coverage on Parts * Planned Maintenance * Priority Emergency Service * Labor for the Life of the Policy * Repair or Replacement of Parts

Planned Maintenance - Two maintenance calls each year - one each heating and cooling season.
Purpose: to inspect and to advise you of any needed repair. (No repairs are made without your approval)
To prevent breakdown, ensure safe operation and maintain efficiency

Priority Emergency Service - In the event of a breakdown, our repair department will respond to your call as a priority service call. We respond to our service plan policy customers first.

Labor for the Life of the Policy -No charge for any labor to repair the unit, or replace parts when available.
Labor to be provided during normal hours of operation (Mon-Fri 7a.m.-7p.m.). *

Repair or Replacement of Parts - Parts will be repaired or replaced if still available. **

Accessory Coverage - Humidifiers, electronic air cleaners, media filters, and programmable thermostats, and UV lights may be covered under the gold service plan for an additional charge.

* Emergency after hours service will be provided for a flat rate of \$89.00 *

** The compressor, Heat Exchanger and Coils will be replaced at no charge ONLY when covered by manufactures warranty. If repair is needed after expiration of warranty period; there will be a charge. In the event any of the equipment is not, in our opinion, economically repairable, we will quote the replacement cost. Until replacement has taken place, no further service will be performed.
