Dear OLSS Families,

This is the final newsletter for the school year! It has been an honor to be the Principal of such a wonderful, faith-filled school family and I thank you entrusting us to teach and care for your children.

I would like to say a special thank you to our wonderful teachers and staff. Together, we successfully completed a full school year during a global pandemic, with no COVID outbreaks or school-wide shutdowns. This was largely due to our dedicated teachers and staff, who went above and beyond their normal duties and taught students in school and virtually, took temperature checks throughout the day, and constantly cleaned and disinfected their classrooms. They sacrificed their time to do these additional tasks and offered extra support to our students and families during this challenging year.

Special thanks to our School Nurses, Arlene Kline and Brandi Hutchins, who have been amazing throughout the course of the year. They kept updated on and guided us through constantly changing federal, state, and CDC guidelines, and helped keep our students, staff, parents, and community safe and healthy. We couldn't have done it without them! Thanks also to Heidi Trice, Judy Angelheart, and Colleen Muldoon for doing temperature checks in all kinds of weather in the morning carline all year, and to Amber Tamburri who helped keep our school extra safe with daily cleaning and whose extra touches in the cafeteria as well as supervising our recess brought extra joy to our day.

I wish each and every one of you a relaxing, restful summer. I hope you may continue to spend special time with each other and with the Lord. Stay happy, healthy, and holy!

Grace & Peace,

Mrs. Jennifer Thompson
Principal
