Halloween COVID-19 Safety Guidelines

Trick-or-Treaters

- If you feel sick, please stay home

- Only trick-or-treat with people you live with

- Stay 6 feet away from people you don't know

- Don't touch your face, nose, or mouth

- Don't wear a costume mask unless you have a snug-fitting proper face covering underneath it and can breathe easily

- Use hand sanitizer often

- Before eating your candy, wash your hands

Parents

- If you feel sick, please stay home

- Talk to your children about safety and social distancing

- Bring a flashlight if you'll be out after dark

- Encourage friends to hold drive-by events in lieu of trick-or-treating

- Ensure proper distancing as children walk

- Wash your hands as soon as you return home

- Make sure children unwrap candy <u>then</u> wash their hands before eating it

Homeowners

- If you feel sick, please don't hand out candy

- Wear a face covering when you answer the door

- Wash your hands with soap and water or use hand sanitizer before handing out candy

- If you don't feel safe handing out candy, you can leave it in a bowl or turn off your lights

- Mark off 6-foot lines leading to your front door

- Instead of handing out candy, consider holding a drive-by Halloween parade or leaving candy outside on a disinfected table

Halloween Parties

- Instead of hosting a party, consider holding a drive-by Halloween parade

- If you host an in-person party:

  - Limit guests to small groups of family and friends; parties <u>must</u> be limited to 50 people

  - Don't let attendees take part if they have COVID-19 symptoms or have been exposed to someone with COVID-19 within 2 weeks

  - Wear a face covering that covers your mouth and nose

  - Ask guests to physically distance 6 feet apart

  - Clean and disinfect frequently touched surfaces before and after the party
