

Life Enhancement Seminar 401

By: Dr. Ralph Klicker

DON'T WAIT UNTIL YOU'RE 6 FEET UNDER: IT'S TOO LATE TO CHANGE YOUR LIFE WHEN YOU HEAR THE DIRT BEING THROWN ON YOUR CASKET

Description

This is an up close and personal Seminar. Funeral service is a profession that demands much from a funeral director, emotionally, physically, and spiritually. This experience helps the funeral director to evaluate where he/she is at this time in their life, where they want to be and how to get there while enjoying the journey.

What is unique about this Seminar is that the funeral director can leave with an outline and knowledge to present a similar seminar to his/her community as a public service.

Objectives

At the completion of this Seminar, the funeral director will be able to:

- Complete a personal life preplanning inventory
- Recognize how the factors in their lives affect their attitude about being funeral directors
- Relate how negatives in their inventories can limit their service to families
- Create a life preplanning action plan
