Thank you for volunteering as a Celebrity Chef. The greatest value of the program is that members volunteer to share their favorite meals with the members. It is important to ensure the sales collected are adequate to cover the food purchased and overhead expenses, including utility costs and a small profit needed to keep our doors open. Remember, some items are available in the kitchen inventory but that does not mean there is no associated food cost.

What is expected of a Celebrity Chef?

- Serving hours are from 6:00 to 8:30 p.m.
- Describe your menu below, as you want it advertised.
- List the food items required for your meal. As we can purchase food at wholesale prices, the kitchen staff may assist with shopping. Please provide the list two weeks prior to the date of your event. Any items you will donate need not be listed.
- The kitchen committee, will review your submission and contact you to discuss the appropriate number of meals, available budget, and other details.
- A team is required to be successful – cook, server & dishwasher.
- We can provide orientation to the kitchen -- ovens, dishwasher, etc.
- Wash and dry dishes and pots and put them away.
- Before leaving the kitchen turn off ovens, grill, heat table, reset the kitchen thermostat to 78° and turn off the lights.
