ICS GALA POSTPONED-update

ICS Daycare Program
Adjusting to COVID 19
Face mask and social distancing (trying to)

As you know, due to COVID19 restrictions, ICS was unable to hold our Annual Benefit Gala. This year's theme was the Roaring 20's, unfortunately 2020 roared in with a pandemic and canceled our event. The Annual Gala is our largest fundraiser of the year and is so critical because the funds raised gets us through our very lean summer months. ICS is known for offering affordable daycare during the summer months, and we still plan to service families and community.

We have been fortunate to use our Childcare license to continue to operate as an essential business, however, one third of our student body did not return to school. Our staff worked hard to provide remote learning to our stay at home kids, in addition to critical childcare for parents that have to work during the pandemic. This is challenging. The last day of school is May 29th. We are so thankful to the Garden Foundation for donating 15 laptops to the school to help our remote learning students finish the year strong with Abeka Pro-Teach online learning.

ICS board and administration has decided not to reschedule the Gala this year, but will hold our event in April of 2021. A special thanks to our friends that sponsored a table, we appreciate you and will definitely honor your gift at next year's Gala. In the meantime, we need your help to get through the summer months on a positive note. Would you consider a special gift to help with this deficit? You can mail check to school office or visit our website at www.innercityschool.org and click the Donate Now button. We know that these are trying financial times for many, and we appreciate your sacrifice in all the love and support you give to ICS.

May God bless your summer with provision, safety, and good health. Please keep ICS and our country in your prayers during this difficult time.
