SOUTH VALLEY ATHLETICS- Spring Soccer Info/FAQ

We offer soccer for children from age four through 8th grade. Four year olds do a once-a-week "camp" and all other ages play on teams. Teams are divided by grade and, when enrollment numbers allow, by gender.

Coaches will call you to let you know their practice day/time/location sometime between 3/14 and 3/17. If you have not heard from your coach by 3/18, call or text the office **immediately** at 541-942-3079.

Soccer practices start 4/1 and are twice a week at local fields. Games are on Saturdays from 4/13-5/18.

Game schedules will be available by 4/8. Team shirts will be handed out right before the first game.

Shin pads must be worn to all practices and games. They must be covered by long socks. SVA sells these items if you need some. We also have free cleats that have been donated/swapped out. Take a look!

Rules for our soccer league are posted on our website, www.southvalleyathletics.org.

Referees for our league are mostly middle- and high-school kids who also play. If you have a kid this age who is interested in learning to referee, have them call the office. This is a great way for them to get involved in the community, build confidence and leadership skills, and earn some money.

Why do you charge \$90 to play? We strive to offer sports to the community at an affordable price. We have to pay rent, contract with the school district for the fields, replace worn equipment, carry a big insurance policy, and pay our referees and our one, part-time employee. About **half** of the kids who play with us qualify for our reduced rate; the difference is made up through fundraising, sponsorships and donations. For comparison, Kidsports and LYSA charge \$90+ for soccer, do not provide uniforms, and not all games are local. Baseball is \$75-\$130, football is \$200+. Swimming is \$45 for eight lessons; we have practice twice a week and eight games.

How do I become a coach? Please contact the office. You will need to fill out an application and pass a background check (once per school year.) There will be a coach meeting and a coach field training session before practices start. Coaches must be 18 or older.

How do you divide your teams? Dividing teams for each sport is a complicated process, done by the sport chair and their committee. We try to make balanced teams considering skill level/experience/age, and also to accommodate numerous requests from people who have limited availability for practice days/times. Siblings will be placed on the same team only if they are in the same age group/gender division. A request for certain days/times/coaches/friends/cousins/transportation issues will be considered, but often cannot be met with the practice times/days that our (volunteer) coaches have chosen. It can also lead to unfairly "stacked" teams. We grant very few requests to play "up" a level; the child must be approved by the sport committee. ***Safety is our primary consideration in that situation.***

How can I help? We are always looking for volunteers and sponsors! Volunteers can do anything from pick up trash one Saturday, help setup before games (8 am!), line the fields, coach or assist a team, join a sport committee for a season or interview for our board. As a non-profit, we are always looking for sponsors- your donation is tax-deductible, you can get your logo on a shirt, and make a difference for our kids!

Who do I contact with questions or concerns? Please contact the SVA office by phone, email or Facebook.

Someone will get back to you during our business hours- **Mon/Tue 1:00-6:00 and Thu/Fri 8:30-1:30.**

If you have an immediate concern on a game day, please find the nearest SVA staff member (blue SVA shirt.)
