

# SUMMERTIME EVENTS WITH DAVID HOFF

Greetings,

This year we will not be having the normal Fired Arts Event in Fresno with Mike Harbridge, Julie Soper, Laura Fredrick and Bob Moreni. However, many years ago I held a similar educational event and this year I am returning this format.

You may be wondering why the delay in getting this out to all of you. I did not have a venue for the class until this week. As you know Jim is no longer working at the church and the church has raised their rental fees. We did think of moving the event to Las Vegas, but the mechanics of such a move just did not work out. Now that Duncan has given me the use of their upstairs Auditorium I can proceed with this invitation to you.
