Attention Business Owners:

**Dayton Blessing of the Bikes<sup>SM</sup>** to be held at:

**Kil-Kare Raceway, 1166 Dayton-Xenia Rd., Xenia, Ohio on May 21, 2023**

The annual Dayton Blessing of the Bikes<sup>SM</sup> event provides an opportunity for all motorcycle riders to have their bikes blessed for a safe riding season. It provides camaraderie and friendship between motorcycle enthusiasts to promote a positive image of motorcycling to the community.

Our proceeds are directed to AMBUCS/GREENEBUCS, a **501-3 charity #91-190435590** (tax exemption form upon request) that provides specially-designed trykes for children and adults with mobility needs.

We would be grateful for any donation (gift certificate or retail item) you may want to add to our cause and have your company represented at our event.

***We are now offering an opportunity for our supporters to display your business logo and website link on our Sponsors webpage starting when your Gold Level donation of \$50.00 is made, until September 30, 2023.***
