

The 36th Annual Orient Express Run is Again going Virtual!

Sonora Sunrise
Foundation

To provide the safest Orient Express Run, and because the school is not yet welcoming visitors, the 36th Orient Express Run will again be virtual.

Sonora Sunrise Rotary Foundation invites you to have some fun! Run, walk, bike, ski, skip....from anywhere in the world while you support special athletes in Tuolumne County. You can join the one-mile race, four-mile race or both.

Virtual runners will receive a Race Shirt with the special edition picture. This years shirt is long sleeved, performance fabric in forest green. People who register by January 15, 2022 will receive their shirts by mail the first week in February. Register later and your shirt will arrive in mid-March 2022.

Your virtual run can take place on any day between February 6 and 28, 2022, any time of day, on a route of your choosing. Encourage your friends near and far to join with you and have some fun.

For accurate race placement use the "It's Your Race—Virtual" App to time your run.

Post your race photos and selfies to www.Facebook.com/OrientExpressRun
