February 15, 2018

Dear

Seymour will be experiencing its ninth annual Founders' Day on June 3, 2018 (rain date June 10, 2018) in celebration of its history and heritage. The event will be held from 10:00 a.m. to 4:00 p.m. and will encompass the entire downtown area - Main Street from Zois Pizza to the Strand Theater, including Bank, First, and Columbus Streets will be closed to vehicles and open only to pedestrian traffic. The streets will be filled with vendors, amusements, and other forms of entertainment. We are anticipating that the festival will again not only attract local residents but many visitors from other areas.

As with any large event many hands are needed to make this happen. As chairperson of the volunteer committee I am asking you and your organization for help in making this day a success. We will need assistance before, during and after the event, but are only asking for a couple hours of your time during the day. If you would like to volunteer for this event please fill out the enclosed form and mail or email to me. **The deadline for volunteer forms is May 20, 2018** so we have time to order the volunteer t-shirts. The form can also be downloaded from our website - www.seymourfoundersday.org. I will contact you after I receive the form and set up your volunteer times and locations with you. Please feel free to pass along this information to those you know who might also like to participate.

The Seymour Founders' Day Association wishes to thank you in advance for your help and support. Please feel free to contact me with any questions or further information.
Thank you.

Steve Culmo
