Medal Outlook

Exeter is led by a talented trio of wrestlers in **Ethan Stever**, **Brett Kulp** and **Austin DeSanto**. Kulp and Stever are solid medal favorites who will be seeded highly, while DeSanto projects to be a top 8 seed in a very strong weight class and has the ability to take home a belt. Veteran **Scott Schaeffer** is under consideration for a seed and is a threat to grab a medal. Sophomores **Ty Bagoly**, **Nolan Buck** and **Oscar Daniels** could take a big step up in their second year and contend. Talented freshman **Denny Karas** will look to serve notice in his first ETR appearance.
