DESCRIPTION: Great looking and performing Bear Tamerlane recurve. Comes with a Bear Premier Sight in excellent condition (a used Premier Sight alone sells in the \$200 range). No delamination; no cracks; limbs are straight. Overlays and tips are in great condition. Slight blemish on back overlay. No drilled holes. No chips, dings or cracks. No current stress lines or crazing. A few blemishes here and there. Decals are in mint condition. The only significant flaw was stress lines on the back of the bow just above the riser. These were filled with Loctite and the limbs were restored with white India ink and spar varnish. Up close you can see the lines and repair. Overall, this is a really nice bow in excellent condition for its age. INCLUDES A BRAND NEW DACRON STRING.
