It is important to understand that any information provided by Sagacious Investment Services is general in nature (general advice) and is for information and educational purposes only and must not be taken as personal advice.

Sagacious Investment Services does not take into account your personal financial circumstances, or your requirements or personal goals. You should seek independent financial advice for any proposed investment you may be considering.

There are many opportunities that the markets offer to achieve a diversified and balanced portfolio, including investing other than with Sagacious Investment Services. We provide such information as we practice what we preach – have a diversified portfolio. However, it is important to note that we do not disclose our proprietary investment and trading strategies, tactics, and/or systems.

Explore our website (Where To Invest, How To Invest, Why To Invest, and Investment Partnership) to find educational material regarding investing.

With most investment opportunities the investor must be aware of the inherent risks associated with that particular investment. Such risks could be substantial, including loss of capital and other losses.

Before committing funds to any investment you should thoroughly and prudently complete your due diligence.
