Parents interested in a larger role must register as participants.

In-studio rehearsals will run Saturdays and Sundays September 25 - November 27. Please list any dates you know of that you will be unable to attend rehearsal:

Measurements will be taken at the first rehearsal.

Everyone EXCEPT Combo level students will begin rehearsing Sunday September 25 from 12:00pm-2:00pm. Some featured roles may be asked to rehearse prior (either Saturday September 24 or earlier on Sunday September 25). At that time, the first four weeks' rehearsal schedule will be handed out and emailed to all participants. The schedule is subject to change.

All participants (including Elf Corps and Combo) can expect Sunday late morning rehearsals starting in November when we start in-studio show run-throughs.

If you are interested in the role of a Newsie, you will be asked to rehearse about twice as much as other participants – the Newsies are in the entire show and will need to practice their scenes outside of scheduled rehearsals in addition to attending every scheduled group rehearsal. Please be advised that being cast as a Newsie is a HUGE commitment.
