

New Business:

1. A suggestion to put the sign-up book for attending special activities be placed where residents can access it rather than having to ask the Receptionist to look under the desk. Also requested: That the month's special off-campus activities (requiring sign-up) be posted on the bulletin board in the beginning of the month, so residents can plan their medical appointments etc.
2. Behind Michael's office there is a grease collection container that overflows when it rains, resulting in a large patch of grease in the driveway that workers must walk through, and also grease flowing into the city drain.
3. A long discussion took place regarding the duties of the housekeepers. It included insufficient time being spent on an apartment, incomplete areas being tended to, and timing of their arrival. The answer is to contact Stephanie, who manages Housekeeping, who in turn will contact Yanni, who is the supervisor, who will then discuss with the Housekeepers. Stephanie can be reached by calling the Mauka office: 396-0720.

ALOHA MICHAEL

WELCOME LAURA
