PARSONAGE RENOVATION

The Administrative Church Council unanimously voted on March 18 to move forward with the parsonage project. The project cost will range from \$100,000.00 up to \$150,000.00. Although it is expected to

finish closer to the low end of the range, we want to be sure the project is fully funded without the need to incur any debt as there may be unforeseen cost overruns.

The initial \$100,000.00 will come from current church cash reserves. The hope (expectation of answered prayer) is that the balance will come in through the generous giving of our church family. Many people have already expressed an interest in getting behind this project and the Council is very confident this financial need will be met.

Please be in prayer about how you might support this important initiative. Watch for more details in the coming weeks on how you can help. If you are ready to make a donation now, please designate your giving to the "Parsonage Upgrade Fund." Exciting days ahead for SHUMC!!

The Shawl Ministry will meet in the multi-purpose room on Saturday, April 6 from 1-3 pm

The Life and Hope School for the Deaf in the Dominican Republic needs to expand! They are hoping to add a second floor to their building for their growing student body and to add trade classes (i.e. sewing, electrical). You can help make a "real difference" in the lives of these kids by donating. Look for a flier in next week's Thursday Blast for more information and see how they got started and where they are today. **If you would like to give, please make the check out to South Harborcreek UMC and in the memo write "D. R. Deaf School" and drop it in the collection plate.**

Thank you
