

PAINT BY NUMBER WITH DARREN AND KIRBY LO

About the Artist

Darren Lo is an artist on the Autism Spectrum with amazing talent. The photo above shows Darren holding one of his paint by number canvas designs. This canvas took him over 10 hours to create.

Due to this class having a 2-hour timeframe, we will provide participants with a smaller, less intricate canvas, along with paint, brushes and a number guide.

Darren's mom, Kirby, will assist in leading this workshop.
