Glen Jurges' Great Idea. But he will need some help: - **Glen needs help Sept 1**
at bazaar - From Glen: *Another subject: I talked to the lady about setting up for selling all the leftover Poggie stuff at the antique store on 6th street in Bremerton. I asked her based on the next 2 Saturdays in August which one would she recommend. She said 1 Sept would be the best. Although a holiday she does very well that day. She will include pictures in the Facebook advertisement which I am in the process of taking. I will call her first but we plan to meet on 25 August to load the pictures. I will talk to Ron and see if he has enough stuff that I should include pictures. She said being a volunteer organization she would not charge us the normal \$20. If we do the 1 Sept I would like help setting up which might be a problem being a holiday weekend. We should setup the tent with the Poggie Banner. I will keep you up to date. Glen*

What do you say to your wife if she complains about how many fishing rods you have? Think of them as shoes.
