The Capital Region Electric Club is a newly formed club, From the past Edmonton Electric Club, to promote fellowship and networking through all facets of the Electrical Industry and raise money for Scholarships and Bursaries for the education of upcoming members in Northern Alberta. The CREC is open to everyone in the industry: Electrical Contractors, Engineers, Manufacturers, Reps, Distributors, Utility, Inspectors, etc. We encourage everyone in or related to our industry to join. Your Membership will enable you to receive discounts at all our events throughout the year and will contribute to our scholarship funds. We will also announce additional activities as they are approved.

\$1500 – Scholarship for CREC Members

\$1500 – Scholarship for CREC Members

\$1500 – Scholarship for CREC Members

Families of anyone on the membership list are eligible to apply for the CREC Member Scholarship for 2018-2019 Academic year

The CREC membership fees are very reasonable.....*with all of these pluses being a member of the CREC is a great move!*
