Volume #1 Published Monthly

From the President's desk, October 2014:

I can hardly believe just how fast this last year has gone. Last month I began my second year representing you as your club president. I never imagined how much I would enjoy this, and learn about the League, our chapter and its members. This is truly a great organization full of wonderful people. I look forward to another year serving you. I have a lot left to learn. Please welcome our new and returning officers and board members, with Kevin Myers as Chairman. There is a lot of energy as we start this next year, please be a part of it all, and get involved.

The fall season is an interesting time. The 3-D archers are done for the year, Monday night trap has only a few short weeks left, and the monthly pistol, Rifle and fun shoots are winding down. The grounds are beginning to sleep, as our buildings and grounds efforts will shift towards winterizing and indoor tasks (and preparing for snow...).

On the other hand, we usher in a new batch of trout, for the club to tend, in anticipation of hitting the streams in the spring. Hunting season is near, sending many afield and to the ranges. Please be courteous on the ranges, as this is a busy time of year for them, and heed the posted range rules. As the air begins to cool, remember, we still have firewood for the taking. Please coordinate with Matt or myself on which piles not to take (Matt needs heat too!)

We have another public sight in day planned for Sunday October 19th. We will be opening the pistol and rifle ranges to the public for that morning, so bring your friends and spread the word. There will be club members there to be Range Safety Officials during this event, and they will be glad to help out in any way they can.

Thanks go out to the crew working the last "club beautification morning". I was not able to attend, but I understand about a dozen or so folks showed up. They accomplished some nice work to the memorial, and some needed range maintenance. Our next one is November 22nd, watch the website or email for details as we get near.

In September we once again hosted the PA State Police for 8 weekday afternoons on the 50 yard range, so they could complete their semiannual firearms qualifications. We also hosted a successful 2 day advanced defensive pistol class. There is definitely interest in doing another one, and maybe something a bit more basic. Look for repeats of all these events in the spring.

And one last thing, don't forget our annual Christmas Party at the December Open meeting!

Please, if there is anything on your mind, let me know, I want to hear the good and especially the bad, so we can try to fix it.

Juniors:

Halloween is just around the corner! As decided at our last meeting, juniors will be decorating the clubhouse during the Open Meeting this month. The Halloween party will be Saturday, October 25 from 6:00 to 8:00 PM. We are planning some fun activities; so put on a scary costume and stop by for a spooky good time! Feel free to bring a snack or dessert to share.

The annual shopping trip to Wal-Mart will be Sunday, November 16th. Juniors will be shopping for presents for the Christmas auction. Please meet at the clubhouse at 1:00 p.m. Tentatively, the juniors will also be decorating the clubhouse for the Christmas open meeting on Sunday, December 14 at 2:00 p.m. All are welcome to come and help. If you have any questions or would like to donate gifts for the auction or decorations for the party, please contact us!

Trout Committee:

The new trout arrived on Oct 1st. We have 13,000 trout and they are doing ok so far. We have lost about 40 so far. That is not too bad. Sometimes we have lost more than that. Hope to have decent fish for spring.

Fundraisers:

Chas. A. Schaefer Flower Shop: give the code (IWLA) when placing your order and Schaefer's will rebate back to the club \$4.00 for each order over \$35.00 (excluding tax and delivery). 845-1571 or 800-231-3329. It's a great way for the club to earn money with no effort.

Mark your calendars for our 2015 Seafood Dinners on Saturdays Jan 10th and March 7th. Two seating times: 3:30 – 5:00 and 5:30 – 7:00. Adults \$22; kids ages 6-12 \$15; kids under 6 are free. Terry Eberly will have tickets at the beginning of December.

Public Range Day:

Sunday, October 19th is public range day. Non-members may use our ranges free of charge under our supervision from 9am until 12pm. Bring out your friends to sight in for the upcoming deer season or enjoy some help and advice from our experienced shooters.

Publicity & Public Relations:

The York County Conservation District & the York County Board of Commissioners are looking for nominees for Conservation District Director(s). If interested contact Kevin Myers (BOD Chair) at kevin890@comcast.net for more information. The Board of Directors & Club Officers would be very happy to see a club member get involved in one of these positions.

Newsletters:

There have been quite a few members who have mentioned they are not getting their newsletter. If you are not receiving your newsletter, give me a call or if you see me let me know.

Tom Kornbau 968-0737

Welcome New Members:

Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
