## CRADLE OF H.O.P.E. MISSIONS TOUR (HELPING OTHER PEOPLE EXCEL) (NOV. 9—DEC. 1, 2015)

### EDUCATIONAL CAMP in Maasai Village, Kenya East Africa

We were headed for the Sairache Primary School in Ewauaso Town in Maasai Land for the educational camp. Our group consisted of Dr. Benjamin Rucker, Dr. Angela Rucker, Elder Geneva Henderson, Elder Alan Johnson, Min. Loretta Holmes, Bro. Philip Tirati, Mama Lucy Sabiiti, and Prophetess Marygold Nejri. The drive took about 4 hours. We passed through Ngong and some other

villages. The route was very scenic but the road was a rough dirt road much of the way. The El Nino rains left many areas very muddy and slippery. The driver was very good and thanks to God we arrived at the school safely. One hundred ninety-eight children and the adults raised their hands when

asked if they wanted to give their lives to Christ. They said the prayer of salvation. It was such a blessing to see so many lives saved. The Leadership Conference at Bishop Wafula's church and Jacob's Night at Bride of Christ Church Ministries Int'l (BOCCMI) Rongai were scheduled for the next day.

## ON THE MISSION FIELD

Bride of Christ Church Ministries (BOCCM) has planted churches in Central America and continues its mission work in Jamaica, Africa, and India. Wherever God leads our Missions Team, the people are taught that **"Preparation is the**

**Key to Success,"** and that we must be prepared spiritually, mentally, physically, and financially to live the high-impact, successful Christian life. Our charge is to go out and make a global

difference and evangelize the world for Jesus. On the mission field, educational supplies, clothes, and medical services are provided to the children. The joy that we see in the eyes of the children is priceless.

## ETHIOPIA

### ETHIOPIA GUENET CHURCH

Apostle Peter Jirmo was the coordinator of the conference in Ethiopia. The Spirit of the Lord saturated the church as three thousand plus people praised and worshiped God. The people were ready to receive the Word of God. The conference theme was "Arise and Shine." The crowd expressed great anticipation as Dr. Benjamin Rucker walked to the podium. He delivered a powerful message that captivated the people and challenged them to "Arise and Shine." After he preached the sermon, there was an altar call and several people came to the altar. Dr. Benjamin laid hands on them and prayed for them. The glory of the Lord was in the house and the people broke out in a crescendo of praise.

## KENYA

The second stop for the mission team was Nairobi, Kenya. After a day of rest, the team ministered at the Power of Restoration Leadership Conference at Pentecostal Christian Revival Ministries. Bishop Lucas Wafula and the members showed great hospitality and received the Word of God with great appreciation. The next day the missions team journeyed for 4 hours to Sairache Primary School in Ewauaso Town in Maasai Land for an educational camp with 198 children. The following day the team headed to Ongata Rongai for the "Transforming Minds and Equipping Leaders" Conference at Bride of Christ Church Ministries International (BOCCMI) Rongai. Pastors and leaders from different churches attended the conference. The following morning fourteen members, from BOCCMI, who accepted Jesus Christ as their Lord and Savior, were baptized by Dr. Benjamin Rucker with the assistance of Elder Johnson. After the baptism, the missions team went back to the local church for the final sessions of the conference. Distributing clothes and balloons to the children was the climax of the day.

MISSION**

Ministering at the altar.*

On Thursday November 26, we made our final stop of the missions tour. World Christian Redemption Ministries in Nakifuma was our home for 4 days at the "Power Packed Leadership Conference." Bishop Augustine Wandera and his beautiful wife Pastor Rosetta were our hosts. There we joined Papa Malcolm and Rev. Doug from New Zealand, who were part of the ministry team of speakers. It was fire and the Word everyday as the Glory of God saturated the church. The altar was packed with people surrendering their lives to Jesus Christ. On the final day of the conference, hundreds of people marched through the town following a marching band while others followed in a motorcade and converged upon the 23 acres of land for the dedication of the "Great Big Project Medical Center." The Cradle of H.O.P.E. missions team from USA made presentations of medical supplies to the center. The ribbon cutting was done and the celebration continued in dance from the front door of the medical center to the back door. There was the cutting of the cake by Dr. Angela Rucker and Papa Malcolm. It was a great blessing to see the vision of Bishop Augustine Wandera come to fruition. Future plans are made for a women's unit, an ophthalmology center and a dental clinic. To God Be The Glory!

## **BLESSED HILL ORPHANAGE**

The missions team visited one of the orphanages supported by Cradle of H.O.P.E. We received a warm greeting from children and staff. The headmaster took us on a tour of the school. Each grade level had a song and dance that they presented as we went from classroom to classroom. It was such a blessing. We also saw their living quarters and the rest of the facility. Following the tour, we went to the big assembly building where greetings and thanks were given. Dr. Angela Rucker presented a donation from Cradle of H.O.P.E. to Mama Lucy for the orphanage. Later, Dr. Benjamin gave words of encouragement and a call to Christ with interpretation by Pastor Kenneth Wavamunno. Thirty children came forth and gave their lives to Christ. After that, there was a birthday celebration for Dr. Angela Rucker.
