

Supplies

EMILIA'S CLEANING, INC believes that nothing is better for your home than the supplies you prefer to use in your home. Many services bring supplies which are typically multi-purpose, diluted product. Through time tested experience, we have found that the customer's name brand products are the best. Vacuum cleaners and supplies brought from house to house carry germs, bacteria, pet dander and allergens from house to house. We use your vacuum (for the care of your carpet, we use your products with the fragrances and disinfectants that you prefer.)
